Partial access for disabled people  
(only the park)

**The splendour of the vanished palace** - Virtual reconstruction images and the Museum of the delightful "Pavilion of the Concierge", allow you to relive the splendour of the Duke of Choiseul's palace, destroyed in 1823 by the "Black Band".

**Awe-inspiring panoramic view** - From the top, 44 metres high, you will enjoy an awe-inspiring panoramic view of the Loire Valley and the Forest of Amboise.

**The quaint Chinese garden** - Come and enjoy our quaint Chinese garden, its oriental plants, Chinese ornaments and atmosphere invite you to meditate.

**"Old-fashioned" outdoor games** - In the park, you could discover the fun of our "old-fashioned" outdoor games which are made from cedarwood. A collection of games came from several various countries (the quoits game, the Boss game, the barrel game, the head games, the skittle game, the croquet game, the tangram or the mikado ...

**For your well-being** - Picnic areas in the park - Marquis with tables and chairs - Shop - Tea-area
